REGISTRATION BROCHURE

ADS 11th Virtual Annual Conference
Scientific Discovery to Real World Implementation
June 13-15, 2021
Welcome

Welcome to the American Delirium Society (ADS) 2021 Virtual Annual Conference! We are pleased to host a 3-day meeting experience, which is expected to draw more than 400 investigators, educators and clinicians from all spectrums of healthcare and from around the globe! #ADS21Virtual is the destination for professionals dedicated to improving delirium care at every level of their career.

The ADS conference focuses on learning with a diverse group of attendees across many disciplines and countries – each and every one striving to learn together as we improve delirium care across all healthcare settings.

The conference offers more than 20 symposia, workshops and roundtables, multiple abstract sessions, a virtual poster session and a robust all-day pre-conference. Internationally recognized faculty will deliver cutting edge clinical and research presentations encompassing all aspects of delirium care. We are proud to say that there will be something for everyone!

Don’t miss the following important events:

• A dynamic full-day pre-conference. Through interactive didactic sessions and delirium assessment training, this intense curriculum will provide you with the skills to make important practice changes at your institution.

• Plenaries from internationally recognized translational, clinical and policy experts.

• Workshops and roundtables focused on practice improvement, education, research design/biostatistics, NIH funding and translational research.

• Symposia focused on imaging, biomarkers, ICU practice change, sleep, palliative care, pediatrics and post-operative delirium prevention.

• The NIDUS investigators will provide an update on their efforts to boost research infrastructure and training.

• Presentations of oral abstracts moderated by senior investigators in the field.

• A poster session moderated by experts in the field.

Finally, we wish to acknowledge the hard work and outstanding efforts of the Conference Planning Committee. A full list of committee members can be found on the next page.

We welcome you to the ADS 2021 Virtual Annual Conference and hope you take advantage of all ADS has to offer.
Learning Objectives

1. Identify evidence-based best practices for recognizing and assessing delirium among patients in hospital, outpatient, and long-term care settings.

2. Discuss evidence-based preventative and therapeutic strategies for reducing the prevalence and duration of delirium across the continuum of care.

3. Review novel and innovative strategies to develop, implement, evaluate and sustain health system delirium reduction efforts.

4. Explain emerging and high-impact research focused on delirium epidemiology, pathophysiology, diagnosis, prevention and treatment.

Program Information

Mission of the American Delirium Society
The goals of the American Delirium Society are to foster research, education, quality improvement, advocacy and implement science to minimize the impact of delirium on short- and long-term health and well-being of patients.

Accreditation Statement
In support of improving patient care, this activity has been planned and implemented by the American Delirium Society and Sutter Health. Sutter Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.
# Program Schedule

## PRE-CONFERENCE

**Sunday, June 13, 2021** *(Times listed are in Eastern Standard Time)*

<table>
<thead>
<tr>
<th>Time</th>
<th>Event</th>
</tr>
</thead>
</table>
| 9:50am – 10:00am | Opening Comments  
Heidi Lindroth, PhD, RN & Leanne Boehm, PhD, RN |
| 10:00am – 10:20am | Delirium: The Lived Experience  
Patient/Caregiver |
Chris Hughes, MD |
| 10:40am – 11:10am | Pathophysiology of Delirium and Associated Symptoms  
Gideon Caplan, MB BS, MD, FRACP |
| 11:10am – 11:30am | Outcomes Associated with Delirium  
Michele Balas, PhD, RN, CCRN-K, FCCM, FAAN |
| 11:30am – 12:00pm | Break |
| 12:00pm – 12:30pm | Delirium Nonpharmacologic and Pharmacologic Prevention and Management Strategies  
Esther Oh, MD, PhD & Joanna Stollings, PharmD, FCCM |

### CONCURRENT SESSIONS

12:30pm – 1:00pm

- **Delirium Prevention and Management Breakout: Pediatric**  
  Roberta Castro, MD, MSC, PhD, Heidi Smith, MD, MSCI, FAAP, Stacey Williams, CPNP-AC & Alexandria Barry, BSN, MBA
- **Delirium Prevention and Management Breakout: ICU/Ward**  
  Esther Oh, MD, PhD, Michele Balas, PhD, RN, CCRN-K, FCCM, FAAN & Clay Angel, MD
- **Delirium Prevention and Management Breakout: Long-Term Care**  
  Christine Wąszynski, DNP, APRN, GNP-BC & Jim Rudolph, MD
